ABOUT COMPANY

Aura Health Clinic represents the next generation of multi-specialty and rehabilitation care, offering a holistic approach to health for every age and stage while integrating interprofessional collaboration. Operated by Sapphire Clinics East, Inc. (SCEI), Aura Health Clinic serves Metro Manila through two state-of-the-art branches: East in Pasig and Greenhills in San Juan City. Aura Health Clinic is also a trailblazer in a wide range of services, including physical therapy, occupational therapy, speech language therapy, special education, psychotherapy, and orthosis & prosthesis fabrication.

Furthermore, Aura Health Clinic is dedicated to enhancing operational efficiencies through the integration of advanced digital systems. Looking ahead, we plan to keep expanding within the rehabilitation sector to continue delivering unparalleled, evidence-based care to our clients.

WELCOME MESSAGE

Welcome to Aura Health Clinic!

As the President & CEO of Sapphire Clinics East, Inc., I am thrilled to extend a warm welcome to you. At Aura Health Clinic, we are dedicated to providing accessible, excellent, and evidence-based rehabilitation services with a focus on compassion and patient-centered care.

We believe in the power of interprofessional collaboration and continuous improvement. Our state-of-the-art facilities and multidisciplinary teams enable us to deliver advanced habilitation and rehabilitation solutions, ensuring the best possible outcomes for our patients — rehab for every age, every stage.

Thank you for choosing Aura Health Clinic as your trusted healthcare partner. We look forward to serving you and your family with excellence and dedication.

Hanrah P. Jara, MBA, MPH, PTRP
President & CEO, Sapphire Clinics East, Inc.

VISION

To lead rehabilitation in the Philippines. A global leader in accessible, excellent, and evidence-based habilitation and rehabilitation services — helping improve the overall health of society, one person and one community at a time.

MISSION

Aura Health Rehab exists to restore the full field of a person — how they move, speak, and show up in the world. We pursue this through rehabilitation that is excellent in its quality, grounded in empathy for each person's lived experience, and powered by the teamwork of clinicians, patients, and families working as one.
